# WELCOME TO THE 13TH ANNUAL LOVE LOCAL FEST!

PRESENTED BY LOVE LIVE LOCAL

The **Love Local Fests** are a celebration of all things Cape Cod, hosted by **Love Live Local**, a nonprofit organization dedicated to strengthening the local economy by supporting our small businesses.

Today's event showcases the creativity, talent, and heart of our local makers, artisans, and brands, along with live music, local food and drink, a beautiful waterfront setting, and the joy of gathering together to celebrate our community.

By showing up, you're helping build a more vibrant and sustainable future for Cape Cod. Your participation keeps our community creative, resilient, and uniquely local, for today and for generations to come.

Thank you for being here and for being part of the Love Local movement. We're so grateful!
